# Welcome

Dear Colleagues,

We are delighted to return to Japan for the 9th Animal Health, Nutrition and Technology Asia. This event is the premier business partnering conference with a mission of connecting leading stakeholders in the animal health industry from across Asia-Pacific to drive innovation, investment, and partnership.

We would like to thank our Global Advisory Board for their continued support and guidance on the AHNTI Series, and we are delighted to announce the creation of the inaugural APAC Advisory Board. This board will allow us to penetrate the APAC market even further and will leverage the extensive experience of these distinguished industry leaders.

We are thrilled to be welcoming you all to Japan in October. If you have any questions at all, please do not hesitate to reach out to the team.

Best regards,

**& the AHNTI Team**

AHNTI Asia is a great opportunity for networking and to connect with stakeholders in the industry to understand the full scope on how the industry could have the full impact to development and wellbeing of animals and consumers.”

Vice President: Southeast Asia & South Asia, **Zoetis**
