

THE 8TH ANNUAL ANIMAL HEALTH, NUTRITION & TECHNOLOGY INNOVATION ASIA

2023 POST-EVENT REPORT

OCTOBER 17-18 | JAPAN, TOKYO

“AHNTI Asia 2023 in Tokyo was vibrant and filled with quality panel sessions covering key areas and trends in animal health and nutrition with a high-quality audience and good programming to enable networking and making new connections”

Leo Wein, Managing Director, **Protenga**

“It was a fascinating experience to listen to and learn from leaders in the veterinary field. At the same time, we were able to build a network with a variety of joiners, from researchers to startups, doctors to KOLs”

Masafumi Osawa, Business Development Lead, **KAICO**

THE INNOVATION SHOWCASE

THE 8TH ANNUAL
**ANIMAL HEALTH, NUTRITION
& TECHNOLOGY INNOVATION**
ASIA

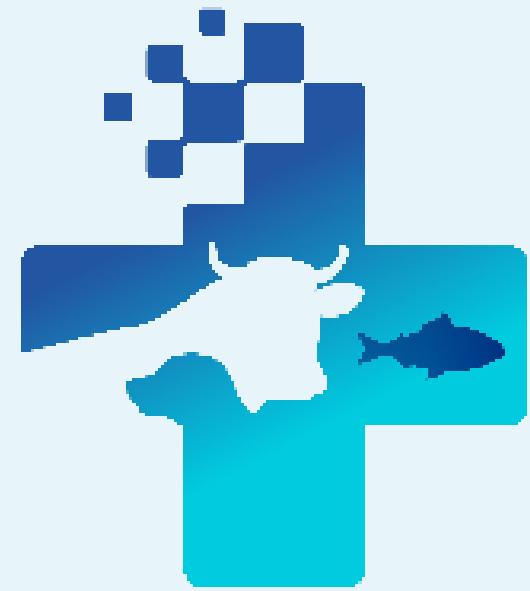

The Innovation Showcase offered a unique opportunity for emerging companies to present in front of the industry's most influential figures and investors. This year's finalists had the opportunity to present products across health, nutrition and technology areas.

This Year's Finalists:

NEXT IN SERIES

Animal Health Innovation is a global series, with conferences taking place In Europe, North American and Asia across the calendar year. The next event in the series is:

ANIMALHEALTH, NUTRITION & TECHNOLOGY INNOVATION EUROPE

Returning for its 9th year, Animal Health Innovation is heading to London with an extended programme.

Now in its 9th Year, **Animal Health, Nutrition and Technology Innovation Europe** continues to be the sector's premier innovation summit, showing the latest innovations, and connecting emerging companies with investors or strategic partners. Our mission is to engage all key participants in the value chain so we can address the full scope of how animal health impacts pet owners, veterinarians, and farmers today.

We would be delighted for you to join us as we address the challenges and opportunities for innovation in our ever-evolving industry.
